Data Review for Corrective Action (§115.388)
Year: 2015

(a) The agency shall review data collected and aggregated pursuant to §115.387 in order to assess and improve the effectiveness of its sexual abuse prevention, detection, and response policies, practices, and training, including:

(1) Identifying problem areas:

- Identified blind spots after review of camera locations.
- Assessed current staffing pattern in comparison with required staffing ratios

(2) Taking corrective action on an ongoing basis; and

(3) Preparing an annual report of its findings and corrective actions for each facility, as well as the agency as a whole. Annual report completed? Yes No

(b) Such report shall include a comparison of the current year's data and corrective actions with those from prior years and shall provide an assessment of the agency's progress in addressing sexual abuse.

Current year's data:

Sexual Harassment		Sexual Abuse		Sexual Assault	
Total Referrals	11	Total Referrals	11	Total Referrals	0
Substantiated	1	Substantiated	3	Substantiated	0
Unsubstantiated	3	Unsubstantiated	2	Unsubstantiated	0

Progress in addressing sexual abuse:

- Increased security staff to comply with required ratios
- Adjusted cameras throughout the facility to address blind spots.
- Installed additional observation mirrors in all offices.
- Installed new unit tables on all units that are secured to the floor. Improves our ability to see underneath the tables and separates youth more by having the seats farther apart.

(c) The report shall be approved by agency head and made readily available to the public through its website.

(d) The agency may redact specific material from the reports when publication would present a clear and specific threat to the safety and security of a facility, but must indicate the nature of the material redacted.

Any specific material redacted? Yes No

Nature of material redacted: N/A
