

Dayton Children's Hospital

One Children's Plaza

Dayton, Ohio 45404-1815

To whom it may concern;

Dayton Children's Hospital offers all residents of Montgomery County Juvenile Court Detention Services, Center for Adolescent Services, and Nicholas Residential Treatment Center, who experience sexual abuse at either facility with access to forensic medical examinations in the Soin Pediatric Trauma and Emergency Center at Dayton Children's Main Campus.

The medical examination will be billed to the Ohio SAFE program when applicable. Such examinations shall be performed by a Pediatric Sexual Assault Nurse Examiner (PSANE) and/ or Emergency Services Provider. Dayton Children's Hospital agrees that the staff person assigned to conduct the examination is an individual who has been screened for appropriateness to serve this role and has received education and/ or training concerning sexual assault and forensic examination issues in general.

Sincerely,

April Denlinger, BSN, RN, SANE-P

PSANE Coordinator
