5.29.1 Juvenile Treatment Court

(A) Establishment of the Juvenile Treatment Court Docket –The type of docket being created is a Specialized Dockets: Juvenile Treatment Court. The program will serve court involved residents of Montgomery County ages 14-17, who have been adversely affected by drugs and/or alcohol with the ability to serve approximately 165 annually. In collaboration with the Juvenile Court, ADAMHS Board, Reclaiming Futures and several treatment providers, the goal is to reduce substance abuse and recidivism by providing judicially supervised treatment and case management, drug testing, community supervision and use of incentives/sanctions. Participants improve in major life areas as they are expected to follow the rules of the home, attend school, attend probation meetings, counseling sessions and court hearings, obtain employment (if age appropriate) and become drug free. Montgomery County Juvenile Treatment Court has been in existence since 1997.

(B) Placement in the Juvenile Treatment Court Docket –

The referral and acceptance guidelines are as follows:

- 1) A Judge, Magistrate, Intervention staff or probation staff identifies that youth may benefit from the intensive case management and treatment court docket and makes a referral to Juvenile Treatment Court stating why they believe youth should be accepted into the program. A Caring for Kids referral is also done at this time.
- 2) Juvenile Treatment Court supervisor assigns case to a Drug Specialist for additional screening and assessments. Drug Specialist makes final recommendation, in collaboration with Supervisor to whether youth is an appropriate candidate for the program. Parents must sign necessary consents, Participation Agreement and Medical Release to be considered. Participant Handbook is given to all families who agree to participate in the program.
- 3) To be considered a candidate for Juvenile Treatment Court, participants must meet the minimum criteria as determined by the Federal Government and State of Ohio. These include, but are not limited to, the following guidelines:

Youth must:

- Be a Montgomery County resident and involved with the Montgomery County Juvenile Court;
- Not have any current adjudications for violent felony offenses or offenses of a sexual nature, unless an exception is made by the Juvenile Treatment Court Judge;
- Be between the ages of 14 and 17;
- Be drug involved, have positive urinalysis or admit to the use of alcohol or other illicit substances;
- Not have any serious mental health diagnosis, fire-starting behaviors or history of acts of animal cruelty;

- Have a Caring for Kids assessment reporting that youth has a drug abuse or dependence issue and could benefit from further AoD treatment.
- Have a parent or guardian willing to actively participate in Juvenile Treatment Court.

4) If youth is found to be an appropriate candidate for the program, the youth and family are given a court date to appear in front of the Juvenile Treatment Court Judge for official program acceptance. The Juvenile Treatment Court Judge has the right to deny any youth acceptance into the program. Youth is also assigned to a Juvenile Treatment Court Case Manager at this hearing. The official rules and expectations are given to youth and family formally during the Acceptance Hearing.

(C) Case Assignment –

A case is transferred to the Juvenile Treatment Court Judge upon acceptance of the youth into the program. If youth unsuccessfully completes and is transferred to another probation department, youth will be re-assigned to the previously assigned Magistrate.

(D) Juvenile Treatment Court Docket Case Management –

Youth and families are given the Participant Handbook and asked to sign the Participant Agreement at the end of the initial screening if it is deemed that youth is an appropriate candidate and the family agrees to participate in the Juvenile Treatment Court program. Once accepted into the program, the youth and family are automatically in Phase 1 of the Juvenile Treatment Court Program. This initial phase, Orientation, allows the Juvenile Treatment Court team to analyze the assessments and link youth to the appropriate recommended services. Youth is also referred for a Natural Helper through the Reclaiming Futures program. Once youth stabilizes and enters a treatment program youth will advance to Phase 2. Phase 2 requires the completion of half of the recommended treatment track. Home issues and school attendance are also closely monitored, as well as drug testing. Once youth completes half of their treatment program, youth can advance to Phase 3. The 3rd phase requires the youth to complete their recommended treatment track and continue to have school and home monitoring, as well as weekly drug tests. The youth will also begin to participate in pro-social activities and will need to have 45 days sober in order to advance to the next phase. The 4th Phase includes group participation and requires that the participant be drug free for a minimum of ninety (90) days, with the last thirty (30) of those being consecutive. Upon successful completion of Juvenile Treatment Court, participants receive special recognition, the opportunity to have their record seal and expunged early, and a graduation certificate signed by the Juvenile Treatment Court Judge.

(E) Termination from the Juvenile Treatment Court Docket –

The termination criteria for the MCJC Juvenile Treatment Court docket is as follows:

- Successful completion of the program.
- Youth could be terminated if adjudicated of a violent offense felony as stipulated by the Ohio Revised Code. The Juvenile Treatment Court Judge has discretion when deciding if youth should be terminated or kept in the program. Cases such as Arson or any Sex Related Charge will be immediately considered for termination at the discretion of the Juvenile Treatment Court Judge and/or treatment team.
- Youth could also be terminated from Juvenile Treatment Court if youth has consistently been non-responsive to services and is at least 18 years of age. The Case Manager assigned to the case needs to be able to articulate all services that have been offered, all sanctions and incentives, and any unofficial efforts made that youth and/or the family have not followed through with while youth has been in the program and present in to the Judge in the form of a report. The Juvenile Treatment Court Judge will make the final determination of whether or not youth should be terminated based on this report.

- Youth will be terminated from the program if youth is no longer considered a Resident of Montgomery County or has been placed by the court or another governmental agency in any long term residential placement that is located outside of Montgomery County.
- Participant turns 21 years of age.
- Youth would be terminated if it is deemed that youth could benefit from additional programming outside the scope of Juvenile Treatment Court, such as primary mental health diagnosis or behavioral issues.
- Youth could be terminated as Neutral if any of the following criteria are met: serious mental-health condition, death of participant, inability to participate in Juvenile Treatment Court due to (but not limited to): incarceration for an extended period of time, injury, illness, communicable disease or relocation.[updated effective February 6, 2017]

APPENDIX C
MONTGOMERY COUNTY, OHIO JUVENILE COURT
STANDARD ORDER OF PARENTING TIME
(effective January 1, 2014)

Parents are encouraged to agree on a fair written parenting time schedule that fits their circumstances and their children's lives, with the following serving as a schedule when the parents cannot agree. The parents may change this schedule by agreement. In the event of conflicting dates and times, the following is the order of priority: Children's Birthdays; Mother's/Father's Day; Holidays; Summer/Breaks; Weekends; then Weekdays. If the parents have more than one child, the parenting time will be exercised with all children together. Each parent has a duty to facilitate and encourage the other parent's parenting time with the children.

1. **WEEKENDS:** The non-residential parent shall have parenting time on alternate weekends from Friday at 6:00 p.m. to Sunday at 6:00 p.m. (Exception – not applicable during summer vacation)
2. **WEEKDAY:** The non-residential parent shall have parenting time from 6:00 p.m. to 9:00 p.m. each Wednesday evening or another weekday evening by agreement. (Exception – not applicable during summer vacation)
3. **HOLIDAYS:** The father shall have the children on the holidays in Column 1 in odd-numbered years and the holidays in Column 2 in the even-numbered years. The mother shall have the children on the holidays in Column 1 in even-numbered years and the holidays in Column 2 in odd-numbered years:

COLUMN 1

Martin Luther King, Jr. Day
Easter Sunday
Fourth of July
Beggar's Night (6:00 to 9:00 p.m.)

COLUMN 2

Presidents Day
Memorial Day
Labor Day
Thanksgiving Day

Parenting time shall be from 9:00 a.m. the day of the holiday until 9:00 p.m., except for Beggar's Night as observed in that parent's community. When the holiday falls on a Monday immediately following a non-residential parenting time weekend, the non-residential parent shall be entitled to keep the children continuously from 6:00 p.m. Friday to 6:00 p.m. Monday.

4. **MOTHER'S/FATHER'S DAY:** On Mother's Day and Father's Day, no matter the parenting time schedule, the children shall be with the appropriate parent on those days from 9:00 a.m. to 9:00 p.m.
5. **CHRISTMAS BREAK:** In all even-numbered years, the mother shall have the children from 9:00 a.m. the day after school recesses (or 9:00 a.m. on December 20 if the children are not in school), until 9:00 p.m. December 24 and the father shall have the children from 9:00 p.m. December 24 through 6:00 p.m. January 1. In all odd-numbered years the reverse shall apply.
6. **BIRTHDAYS:** In odd-numbered years, the father shall have all the children on each child's birthday from 6:00 p.m. until 9:00 p.m. In even-numbered years, mother shall have all the children on each child's birthday from 6:00 p.m. until 9:00 p.m.
7. **SPRING BREAKS:** In odd-numbered years the father shall have all the children for the spring break from school, starting at 9:00 a.m. the day after school recesses to 6:00 p.m. the Sunday before school

resumes. The mother shall have the children for spring break in the even-numbered years. If all the children are not of school age, the Saturday before Easter through the Friday after Easter shall be substituted.

8. SUMMER VACATION: The parties shall exercise summer parenting time in alternating one week increments beginning the first Friday after the last day of school. Each period shall begin on Friday at 6:00 p.m. until the following Friday at 6:00 p.m. The alternate parenting week schedule shall continue until the children are scheduled to return to school. In the odd numbered years, the father shall start the first week. In the even numbered years, the mother shall start the first week.

If either party is employed by an employer that has an annual mandatory shut-down, that party shall have priority for parenting time during that period. If both parents have an identical shut-down period, the non-residential parent shall have priority. If the mandatory shut-down period creates a conflict with the alternating week schedule, the parties shall trade an equal amount of time as make-up for the lost shut-down parenting time.

Mid weekday and alternating weekend parenting time shall be suspended during summer vacation parenting time. Child support will not be reduced during summer parenting time.

Each parent shall provide the other parent with destination, time of departure and arrival, phone number for emergency purposes, and mode of travel and flight numbers.

In all cases, this summer vacation schedule ends at 6:00 p.m. the Friday before classes resume. That Friday the children shall be returned to the residential parent. Effective that Friday, the weekend and weekday parenting times pursuant to paragraphs 1 and 2 above shall resume. The non-residential parent's first alternating weekend shall begin the following weekend.

9. LATE PICK-UP: The residential parent shall have the children ready for pick-up at the start of all parenting time. The children and the residential parent have no duty to wait for the non-residential parent to arrive for parenting time more than thirty (30) minutes, unless notified. The non-residential parent who arrives more than thirty minutes late without prior notification for a particular parenting time forfeits that parenting time, unless the residential parent agrees otherwise.

10. DROP-OFF: The non-residential parent will not return the children early from parenting time unless the parents agree to a different drop-off time in advance. The residential parent or other adult well-known to the children must be present when the children are returned from parenting time.

11. CANCELING NON-RESIDENTIAL PARENTING TIME: Except in emergency situations, the non-residential parent must give at least 24 hours advance notice when canceling any parenting time.

12. MAKE-UP NON-RESIDENTIAL PARENTING TIME: Make-up days shall be given if an emergency prevents scheduled parenting time. When requested by non-residential parent, all make-up parenting time shall be rescheduled and exercised within sixty (60) days of that emergency.

13. MEDICAL TREATMENT AND EMERGENCIES: If the children become seriously ill or injured, each parent shall notify the other parent as soon as practicable. If the children become ill or injured during their time with the non-residential parent, said parent, shall contact the residential parent to secure treatment unless the situation is a medical emergency.

14. **TELEPHONE/MAIL OR ELECTRONIC:** Neither parent shall interfere with written, voice, or electronic communications between the children and the other parent. Long-distance calls from an out of town parent shall be at that parent's expense. Non-emergency phone calls should be limited to one per day before 8:00 p.m. EST.

15. **TRANSPORTATION:** The non-residential parent has responsibility for transportation of the children to and from their home for parenting time with them and may use another adult well-known to the children for picking up or dropping off the children when necessary. Any person transporting the children may not be under the influence of alcohol or drugs, and must be a licensed, insured driver. All child restraint and seat-belt laws must be observed by the driver. Car seats should be exchanged when required.

16. **SCHOOL WORK:** Parents shall provide time for children to study and complete homework assignments, even if the completion of work interferes with the parent's plans for the children. The residential parent is responsible for providing the non-residential parent all of the school assignments and books. Summer school which is necessary for a child must be attended; regardless of which parent has the child during the summer school period.

17. **EXTRACURRICULAR ACTIVITIES:** Regardless of where the children are living, their continued participation in extracurricular activities, school related or otherwise, should not be interrupted. It shall be the responsibility of the parent with whom the children are residing at the time to discuss the scheduling of such activities with the children and to provide transportation to the activities. Each parent shall provide the other parent with notice of all extracurricular activities, complete with schedules and the name, address and telephone number of the activity leader, if available.

18. **OUT-OF-STATE RELOCATION:** If the residential parent intends to move to a residence other than the residence specified in the parenting time order or decree of the Court, that parent shall file a notice of intent to relocate with the Court. Except as provided in ORC 3109.051 (G)(2), (3), and (4), the Court shall send a copy of the notice to the non-residential parent. Upon receipt of the notice, the Court, on its own motion or the motion of the non-residential parent, may schedule a hearing with notice to both parents to determine whether it is in the best interest of the child to revise the parenting time schedule for the child.

19. **ACCESS TO RECORDS:** The non-residential parent shall have access to the same records, same school activities and to any day-care center which the children attend on the same basis that said records or access is legally permitted to the residential parent, unless a restrictive order has been obtained from the Court. It is the responsibility of the parent obtaining a restrictive order to serve it on the appropriate organization.

20. **NOTICE OF CHANGE OF ADDRESS:** Both parents shall give written notice to the other parent immediately upon any change of address and/or phone number, unless a restrictive order has been obtained from the Court. A copy of the notice, including the parties' name and case number, shall also be provided to the Juvenile Court, 380 W. 2nd St., Dayton, Ohio 45422, Attention: Chief Deputy Clerk.

APPENDIX D
MONTGOMERY COUNTY, OHIO JUVENILE COURT
Phase-In Parenting Time
(effective January 1, 2014)

In most paternity cases, the parents and child have not been living together as a family unit. Therefore, it is in the child's best interests that visitation with the non-custodial parent be introduced on a limited basis. After that introduction has been accomplished, visitation would be expanded consistent with the Standard Order of Visitation.

1. Unless the parties agree otherwise, or subject to a modifying order, introductory visitation shall be as follows:

(A) Visitation shall occur once a week for 3 hours away from the custodial parent's home at a neutral site, such as a suitable relative of the non-custodial parent provided they are agreeable.

(B) The child shall not be removed from the agreed upon visitation location during the visitation period.

(C) No beverages alcohol or substances of abuse shall be used by any person involved in the visitation prior to or during the visitation.

(D) The custodial parent shall choose the day and time of the visit, unless this conflicts with the non-custodial parent's work schedule. If the custodial parent cannot choose another non-conflicting day and time, then the non-custodial parent shall choose the day and time.

(E) Introductory visitation shall continue for 4 weeks. If the non-custodial parent misses any visitation, the introductory visitation pattern shall continue beyond 4 weeks until 3 consecutive weeks of visitation have occurred.

2. Following the completion of section 1. (E), visitation shall be enhanced for an additional 4 weeks for 1 day a week for 6 hours per visit, and may occur away from the relative's home. All other guidelines within section 1. shall continue in effect.

3. Following the completion of section 2., the non-custodial parent may have the child for overnight visitation from 10:00 AM to 10:00 AM [unless agreed otherwise by the parents] once every other week for 6 weeks. The choice of days shall follow the selection process set out in section 1. (D).

4. After the successful completion of section 3., the parties shall exercise visitation as they agree but in no instance less than the Standard Order of Visitation.
